

Welcome to #TeamDallasISD

We're committed to excellent customer service, social emotional learning and racial equity – three concepts that shape everything we do.

ONLY THE BEST FOR THE BEST

Focused, Fast, Friendly and Flexible – our Core 4 principles of customer service – create a positive workplace culture for staff, students, families and the entire community.

AWARENESS OF OURSELVES AND OTHERS

Social and emotional learning (SEL), is a process we've embraced to help children and adults understand and manage emotions, set and achieve positive goals, demonstrate empathy, establish and maintain positive relationships, and make responsible decisions.

Learn more about social emotional learning at dallasisd.org/SEL.

CREATING OPPORTUNITIES FOR ALL

We're intentional about leveling the academic playing field by making more resources and opportunities available to those who need them most. Through an emphasis on racial equity, we're removing barriers and building bridges to enable all students to achieve their educational goals.
