

I LOVE TO READ

AMAZING GRACE by Mary Hoffman

4-8

Amazing Grace is the story of a little girl named Grace who loves everything about stories. She loves making them up, reading them, listening to them and most of all acting them out! One day her school decides to put on a play and Grace wants to play the lead role of Peter Pan.

Her classmates try and discourage her because they don't think she is right for the part. Saddened by their comments, Grace has a heart-to-heart with her granny and soon regains her confident spirit along with an overabundance of energized determination. She is truly amazing!
